I appreciate the interest which prompted you to come in and see me about possible employment with the Central Intelligence Agency, and found our discussion most interesting.

I have had our organization vacancies canvassed for a position for which you could be considered, but find that all vacancies into which you might fit have already been filled.

I regret that there appears to be no immediate possibility of utilizing your services here, and am therefore returning your personal history file.

Sincerely,

A/RH - to C R, 23 Sept 47

I have received both your letters, but I am sorry that at the present time I cannot give you any definite answer. We are still tied up with legislation--as to whether this is to be a permanent authority or not and also as to whether or not we can pay officers from the budget. When the legislation and budget matters are cleared up, I shall write you again.

Please take my very best wishes for Nancy and yourself and believe me,

Sincerely,
